§ 765.12 Navy and Marine Corps absentees; rewards.

The following is set forth as it applies to Navy and Marine Corps absentees. The term “absentee,” as used in this section, refers to a service member who commits the offense of absence without leave. Cf. article 86 of the Uniform Code of Military Justice (10 U.S.C. 886).

(a) *Payment of rewards*—(1) *Authority*. When authorized by military officials of the Armed Forces, any civil officer having authority to arrest offenders may apprehend an individual absent without leave from the military service of the United States and deliver him into custody of the military au-

thorities. The receipt of Absentee Wanted by the Armed Forces (DD Form 553) or oral or written notification from military officials or Federal law enforcement officials that the person is absent and that his return to military control is desired is authority for apprehension and will be considered as an offer of a reward. When such a reward has been offered, persons or agency representatives (except salaried officers or employees of the Federal Government, or service members) apprehending or delivering absentees or deserters to military control will be entitled to a payment of

(i) \$50 for the apprehension and detention until military authorities assume control, or

(ii) \$75 for the apprehension and delivery to military control.

Payment of reward will be made to the person or agency representative actually making the arrest and the turnover or delivery to military control. If two or more persons or agencies join in performing these services, payment may be made jointly or severally but the total payment or payments will not exceed \$50 or \$75 as applicable. Payment of a reward is authorized whether the absentee or deserter voluntarily surrenders to civil authorities or is apprehended. Payment is not authorized for information merely leading to the apprehension of an absentee or deserter.

(2) *Payment procedure*. The disbursing officer, special disbursing agent or agent officer of the military activity to which an absentee or deserter is first delivered will be responsible for payment of the reward. Payment of rewards will be made on SF 1034 or NAVCOMPT Form 2277 supported by a copy of DD Form 553 or other form or notification that an individual is absent and that his return to military control is desired, and a statement signed by the claimant specifying that he apprehended (or accepted voluntary surrender) and detained the absentee or deserter until military authorities assumed control, or that he apprehended (or accepted voluntary surrender) and delivered the absentee or deserter to
